Capacity Building

We strengthen people, systems and organisational performance through targeted training and practical support that stays with your team.

What we do

- Training and professional development
- Business process support and organisational strengthening
- Training manuals and process documents
- Workshops for boards, managers and staff

What you receive

- A training needs assessment
- Tailored training sessions and materials
- Manuals, templates and process maps
- Follow-up support and a short evaluation

Where we have built capacity

NGOs and conservation trusts

Donor-funded programmes

Hospitality and corporate teams

Example programmes

01 Financial management and accounting training

02 Accounting system set-up and roll-out (e.g. QuickBooks)

03 Operations manuals and governance

04 A grantee capacity programme reviewing grant reports against donor standards

Recent training topics

QuickBooks · Financial management · HR basics and the Shops Act · Operations procedures · Governance

CLIENT ENGAGEMENT AND TRAINING CONTACTS

Vera Sterling
Director of Client Engagement

Why it matters

Skills that stay in-house compound over time: teams work with more confidence, and results hold after we leave.

INDICATIVE FEE

Training & capacity building, per engagement

BZ$1,500 – 25,000

Final fee confirmed in a written proposal.
