HR Systems & Policies

HR systems and policies designed for your organisation, written down, shared with staff and aligned with how you operate.

What we do

- HR policy review and drafting
- HR systems and procedures
- Organisational and HR diagnostics
- Alignment with operational and financial realities
- Roll-out support with managers

What you receive

- Written HR policies
- Clear HR procedures
- A diagnostic summary of gaps
- Policies shared with staff
- Guidance for managers

How it works

Diagnose
Review current HR practices and records.

Design
Draft the policies, systems and procedures.

Agree
Review the drafts with your management.

Roll out
Share with staff and support managers.

Who it's for

- Growing companies
- Hotels and resorts
- NGOs and schools

Why it matters

Written, shared policies set clear expectations for everyone and support fair, consistent decisions.

INDICATIVE FEE

HR systems & policies, per engagement

From BZ$1,500

Final fee confirmed in a written proposal.
