Training & Leadership Development

HR and payroll training programmes, and facilitated leadership and team development, that build lasting capacity in your team.

What we do

- HR and payroll training programmes
- Training for managers and supervisors
- Leadership development
- Team development sessions
- Training materials and manuals

What you receive

- A training plan agreed with you
- Practical sessions for your staff
- Manuals your team can keep
- Stronger managers and teams
- Follow-up after the training

Who it's for

Managers

Supervisors

Staff teams

How it works

Assess
Agree training needs and who will attend.

Design
Prepare the programme and materials.

Deliver
Run the sessions with your team.

Follow up
Review results and next steps.

Why it matters

Skills that stay in-house compound over time: trained managers handle HR matters well day to day.
